**Re: Docket No. 2014-398-C; *Application of MegaPath Corporation and GC Pivotal, LLC d/b/a Global Capacity for Approval to Participate in an Asset Transfer Transaction***  
**CONSUMMATION NOTICE AND REQUEST TO CANCEL AUTHORITY**

Dear Ms. Boyd:

GC Pivotal, LLC d/b/a Global Capacity ("Global Capacity"), on its own behalf and as purchaser of certain network assets and customers from MegaPath Corporation ("MegaPath"), notifies the Public Service Commission of South Carolina ("Commission") that on December 31, 2014, MegaPath and Global Capacity completed a transaction whereby ownership of certain network assets and certain customers served by those assets from MegaPath were transferred to Global Capacity.<sup>1</sup> As a result of this, effective January 1, 2015, MegaPath will no longer provide telecommunications services in South Carolina and therefore no longer requires its authorizations. As such, MegaPath requests that the Commission cancel MegaPath's authorizations to provide local exchange and interexchange telecommunications services and rescind any and all tariffs on file with the Commission. MegaPath was granted authority to provide local exchange and interexchange telecommunications services pursuant to Commission authorization issued in Docket No. 2000-0133-C, Order No. 2000-0513. Because MegaPath no longer provides any service that is subject to the jurisdiction of the Commission in South Carolina, the Company respectfully submits that the surrender of its authorizations is reasonable and necessary and will not be disruptive to the present or future public interest, convenience and necessity.

<sup>1</sup> See Joint Application of MegaPath Corporation and GC Pivotal, LLC d/b/a Global Capacity for Approval to Participate in an Asset Transfer Transaction dated October 1, 2014 informing the Commission of the anticipated sale of certain assets and customers. The Joint Application was approved by Order No. 2014-1003, dated December 9, 2014.
